

Please find enclosed your travel documents for your forthcoming holiday.

We recommend that you read them carefully to ensure that you are fully aware of the different services being provided by the suppliers we use.

Airline Tickets

If you have purchased your airline tickets from us - you will find enclosed an E-Ticket Confirmation from the supplier.

Check-in Time

Please proceed straight to your flight check-in desk at least 3 hours prior to departure with your passport. Your departure terminals are shown on your E-Ticket.

Baggage Allowance

The standard allowance is 1 bag weighing 23kg and a second bag charge is approx. \$100 EACH WAY. Holiday World is not liable for any charges made by airlines for excess baggage. If in doubt, check with your airline prior to departure. You can do this by going to the MANAGE MY BOOKING or MANAGE MY RESERVATION or CHECKED BAGGAGE section on your airline's website.

Ski Carriage on Air Canada

You are advised to Pre-Register Ski Carriage at least 24hrs prior to departure. You can phone the airline on 0871 220 1111 and advise them of your PNR airline 6 digit reference shown on your E-Ticket so they can locate your booking and add ski carriage.

Samsung Galaxy Note7 smartphone devices have been banned from all flights as of October 2016. This is following the official recall of Samsung Galaxy Note7 phones and an increasing number of countries banning the devices from air transportation.

Travel Vouchers

Your vouchers are enclosed for each item you have booked through us.

You may be required to **re-confirm your resort transfer** - please read the voucher carefully for instructions.

Our accommodation in Canada is booked through **JONVIEW INC.** our local agent and their voucher is provided for your property.

Passports

You are required to have a passport with min. validity up to your date of return from Canada or the USA.

The type of passport required for travel under the Visa Waiver Program will depend on the date on which it was issued:

- **EPASSPORT** - From 1 April 2016, all travellers wishing to enter the USA under the VISA WAIVER PROGRAMME will need to hold a Biometric passport with an integrated chip (an ePassport). British passports issued since October 2006 are ePassports and carry this [internationally recognised symbol](#) on the front cover.

If your passport is not valid for at least six months beyond your date of departure from the United States, it will not affect your eligibility to travel. The United States has an agreement with the United Kingdom

automatically extending the validity of a passport for six months past the passport's expiration date. Therefore, your passport need remain valid only for the duration of your stay in the United States. If you are travelling visa free under the Visa Waiver Program and your passport is not valid for 90 days, you will be admitted into the United States until the date on which the passport expires.

ESTA For The USA

British travellers to the USA under the Visa Waiver Programme (VWP), which allows most British Citizen passport holders to visit for up to 90 days without a visa, must get an authorisation via the Electronic System for Travel Authorisation (ESTA) prior to their journey. Visitors should register through the ESTA website at esta.cbp.dhs.gov

and are advised to do so at least 72 hours prior to travel. If you do not have an ESTA you will be refused travel to the USA. The US Customs and Border Protection department charge \$14 per application for an ESTA. All payments must be made by credit card.

Tips for completing ESTA successfully» ¿

We have found that there are some common errors that occur when completing the online ESTA application, so here are some tips to help:

Your passport citizenship and country of issue must be the same as each other. Generally, passports issued overseas are considered to be issued by your country of citizenship.

- You must enter zeros and the letter ?O? correctly as all numbers and letters must match 100%.
- If you originally applied for an ESTA some time ago, and have since changed your passport, you will need to apply for a new ESTA.
- If you have more than one passport, you need an ESTA for the passport used to travel to the US.

ETA For Canada

This is now mandatory for travel to Canada. You can apply using the following link:

<http://www.cic.gc.ca/english/visit/eta.asp>

Canada has introduced a new entry requirement, known as aneTA, for visa-exempt foreign nationals travelling to Canada by air. Exceptions include U.S. citizens and travellers with a valid visa. Entry requirements for other methods of travel (land, sea) have not changed.

This entry requirement is mandatory and travellers will need aneTA before they can board a flight to Canada.

Solo Parent Travelling With Children

If you are travelling with children, and only one parent is present, you should carry a letter of consent from the non-travelling parent. Immigration officers have the right to question children using simple and appropriate language to establish whether there are any concerns about child abduction. A letter of consent may help to dispel potential concerns.

Travel Insurance

It is a condition of booking with Holidayworld that all our passengers have adequate travel insurance that includes cover for skiing/snowboarding in North America if travelling on one of our ski holidays.

Car Hire

If you are renting a car - you will need to bring your licence with you.

The Lead driver must be over 25, hold a clean driver's licence for min. of one year and be in possession of a **MAJOR CREDIT CARD**(not debit card).

- Car hire prices include: Unlimited Mileage, Loss Damage Waiver, Supplemental Liability Insurance , Under or Uninsured Motorist Protection, Airport Tax, Road Tax, State Taxes, all Customer Facility Charges (CFC's) and Homeland Security Fees (HSF's), and 24 Hour breakdown assistance (this is not tripsaver).
Platinum upgrade & Sat Nav are optional extras and you will be covered only if you accepted the upgrade charges at the time of booking.
- Our rates do not include some optional items: for example, one way rental fees, charges for fines, traffic or parking violations, toll roads or charges for additional items. Our rates do not include Road Safe Assistance, this is an **optional** insurance that can be taken out on collection of the vehicle to cover you for lost keys, flat tires, fuel services and battery services. It is up to the driver whether to accept any optional items offered when collecting the vehicle and these are paid locally and not included in the price paid for the car hire booking so cannot be reclaimed.
